Description:

From the Inside Flap The Power of an Unforgettable Dream

You are never more like God than when you're dreaming, because God is a dreamer from the

beginning. His nature is in you, and that's why you can look at something that appears to be nothing and believe in it.

God wants you to realize your dreams--He is the one who gave them to you! *Believe That You Can* gives you the tools you need to break through your old ways of thinking and live your dreams.

Don't ever put limits on what God can do. Believe you can fulfill His call on your life. You can do it!

From the Back Cover Nothing Can Stop God's Dreams For You

Living your dreams isn't easy. It takes persistence and tenacity, along with faith in yourself, in God, and in the vision He has given you. In *Believe That You Can*, Jentezen Franklin gives you a powerful message of hope: you can do it!

Using his own personal experiences and examples from biblical characters who pursued their dreams to the end, Franklin shows you how to find and walk out your God-given vision for your life. Here you will find what you need to turn your dreams into reality, including:

- * The five stages of a dream and how to recognize and get through each of them
- * What you can do when your dream seems far away or impossible
- * How to fight for your dream and never let go until it comes to pass

Don't let anybody steal what God has already shown you!
