Description:

From Reporter Jenna knows a story when she sees one, and her sister Kelly has cooked up a whopper to cover her whirlwind courtship and wedding to Ty. Joining Kelly in Philadelphia, Jenna is determined to uncover the truth about her new brother-in-law's "missionary" work. Hanging with Ty and his partners, including the strangely attractive Al, proves that truth is stranger than fiction, when Jenna discovers that she's in the middle of a fight between immortals over the end of time and that saving it runs in the family. More battle lines are drawn and allegiances formed in the second installment of the Gods of the Night series (Eternal Pleasure, 2008), which also delivers lots of sexy preternatural males. --Nina C.
