Description:

Toddlers will have fun with this book at bath time. Each foam-padded page is constructed of sturdy, floatable vinyl, and shows a picture of a friendly animal. When kids dunk these books into the bath water they get a big surprise. A smiling octopus who turns blue and a curious looking sea horse who turns green are just two of the many sea creatures who change color in this book. When the pages dry out, the animals return to their original white. The book is packaged in a transparent plastic bag with a hanger card.
