### Description:

**Review** "Spontaneous humor, sure to appeal to the youngest reader." -- *The Horn Book Magazine*

**From the Publisher** Nicky has freckles -- they cover his face, his ears, and the whole back of his neck. Once, sitting behind him in class, Andrew counted eighty-six of them, and that was just a start! If Andrew had freckles like Nicky, his mother would never know if his neck was dirty.

One day after school, Andrew works up enough courage to ask Nicky where he got his freckles. And, as luck would have it, who should overhear him but giggling, teasing Sharon. She offers Andrew her secret freckle juice recipe -- for fifty cents. That's a lot of money, but Andrew is desperate. At home

he carefully mixes the strange combination of ingredients. Then the unexpected happens...
