Whether soothing disgruntled members, ensuring club safety and profitability, or motivating staff to perform at their best, health and fitness club managers require the right mix of skills and flexibility to support the success and continued growth of their clubs. Both aspiring and practicing club managers can rely on *Health Fitness Management* to help them acquire and improve their management skills across all areas:

-Financial management: Learn how to read financial statements and understand and control the risks associated with running a fitness club.

-Facility maintenance: Implement systems to ensure the upkeep and safety of the facility and its equipment.

Health Fitness Management, Second Edition, has been fully updated and organized for maximum retention and easy reference. Each chapter begins with "Tales From the Trenches," a real-life example that clearly illustrates the chapter's theoretical focus. "The Bottom Line" segments sum up the key points of the chapters in an applied context so readers can see exactly how the information is applied on the job. Learning objectives, key terms, and a list of references and recommended reading round out each chapter to make the material even more comprehensive to students, and a new instructor guide and test package make the text ideal for instructors teaching a course. Practitioners will find the added bonus of many time-saving reproducible forms, including a sample membership agreement, an equipment maintenance form, and a guest registration and exercise waiver.

Written by industry experts with more than 300 combined years of experience, *Health Fitness Management, Second Edition*, is the fundamental resource for the management and operation of health and fitness facilities and programs. Enhanced with practical scenarios and applied knowledge, it provides a solid foundation for students preparing for a management career in the health and fitness industry and serves as an essential reference for professionals already enjoying the challenges and opportunities of club management.
