Description:

From the Back Cover A New Perspective on Reaching Out to Muslims

Despite growing numbers of Muslims and Christians living or working next to each other, major barriers remain. Not only do mistrust and fear get in the way, but so do misunderstandings. It doesn't have to be this way, however.

Carl Medearis provides new insights into the top questions people have about Muslims, Muhammad, and Islam. With practical information and fascinating stories, he shares culturally sensitive ways for Christians to get to know Muslims on a personal level. You will learn:

How Islam's "Pillars of Faith" are lived out in today's world
What the Qur'an says about women
What Muslims think about the Bible and Jesus
How to bring up spiritual matters in conversations
And much more

Rather than focusing initially on the differences between Islam and Christianity, Medearis shows how common ground is the best foundation for friendships and for hearts turning to Jesus.

Named an Outreach Magazine Resource of the Year
