**Description:**

**Review**

**A Mesmerizing Story, a Sensitive Coming of Age novel**

There were moments of magic, scenes filled with foreboding, passages that were poetic and ruminative, others that were breathtaking. The masterful handling of Malcolm's mother, was brilliant. There were many scenes, especially toward the end, that were fast-paced and made the

book impossible to put down.

**Susan Russo Anderson**

### **Amazing Story**

I have to say I have not read a book that took me on such an emotional ride in many years. I just finished it and I'm still reeling. I am typically a romance/fantasy reader but this is definitely going on my favorite books list. Martin Crosbie will be on my watch list of authors in the future. This was an incredible story to read.

### **Wonderful Surprise!**

Mr. Crosbie's first novel is a wonder! Once I started, I couldn't stop. I just HAD to find out what happened next. His characters are so believable and I felt a real connection to his hero's kind heart and the difficulties he faced while growing up and throughout his life. I completed the novel in just a day and was sad to have it end.

**Flavia Joy**

### **My New Favorite Author**

I wanted to hug Malcolm (the main character), I cared about his life and story of love, suspense and self discovery and I didn't want it to end. The author, is a wonderful story teller he takes his characters on many journeys through out the story but most importantly he takes his readers as well, in a sweet, enduring and subtle way.

I found the composition extraordinarily accessible, and the character immediately sympathetic. He has a knack of revealing his inner thoughts and conflicts in a manner that is illuminating without being self-serving. I felt I learned something important about myself, a great combination of story and significance. Just read it and see.

**From the Author** Thank you for taking the time to read this. I was born in the Highlands of Scotland and I currently live just outside Vancouver, British Columbia, on the west coast of Canada.

Thanks to readers such as yourself spreading the word through Facebook, Twitter, and other social networks, MY TEMPORARY LIFE has now been downloaded over one hundred thousand times and has become an Amazon bestseller. I truly thank you for the encouragement I've received from your reviews, emails, and instant messages, and it has motivated me to continue this story as part of a trilogy. I'm proud to be able to tell you that MY NAME IS HARDLY, the second book in the series, was released in December 2012.
