THE ADVENTURES OF PINOCCHIO

Carlo Collodi

Pinocchio was naughty from the very first day that Geppetto created him. Instead of going to school or learning a trade, the little puppet who magically came to life wanted only to eat, drink, sleep and play.

But Pinocchio's problems grew - or did he never even stop to hold a job, which was quite silly, had even worse, he found himself in one dreadful situation after another, in prison, toward the end of a doctor and even stranded in the belly of an enormous shark.

Included by "The Kluge" 10 original illustrations, this newly abridged version of the beloved story includes all the familiar characters: Geppetto, the little woodworker, a mischievous cricket, a fox and a cunning cat, a kindly fairy and a host of other characters.

Filled with humor and adventure, and packed with heartwarming episodes, this time-honored tale has thrilled generations for over 100 years. In this inexpensive edition, it will continue to delight new readers and listeners.

Original Dover (1961) designed by Bob Bland/for an English translation of *Le Avventure di Pinocchio* by Carlo Collodi (1882).

Description:

Pinocchio was naughty from the very first day that Geppetto created him. Instead of going to school or learning a trade, the little puppet who magically came to life wanted only to eat, drink, sleep, and play.

Poor Pinocchio's problems grew — as did his nose every time he told a lie, which was quite often. And even worse, he found himself in one dreadful situation after another; in prison, turned into a donkey, and even stranded in the belly of an enormous shark.

Enhanced by Thea Kliros's 32 original illustrations, this newly abridged version of the beloved story includes all the familiar characters: Geppetto, a childless woodcarver; a wise old cricket; a sly fox and conniving cat; a lovely fairy; and a host of other figures.

Filled with humor and adventure, and sealed with a heartwarming conclusion, this time-honored fable has thrilled youngsters for over 100 years. In this inexpensive edition, it will continue to enchant new readers and listeners.
