Description:

A responsive, refreshed, and media-rich revision of the market-leading anthology of American literature.

The most-trusted anthology for complete works, balanced selections, and helpful editorial apparatus, *The Norton Anthology of American Literature* features a cover-to-cover revision. The Ninth Edition introduces new General Editor Robert Levine and three new-generation editors who have reenergized the volume across the centuries. Fresh scholarship, new authors—with an emphasis on contemporary writers—new topical clusters, and a new ebook make the Norton Anthology an even better teaching tool and an unmatched value for students.
